SENECA LIGHT & WATER POSITION DESCRIPTION – LABORER for SEWER DEPARTMENT

GENERAL PURPOSE:

Assist with installing, inspecting and maintaining sewer lines, manholes and pump stations. Reports to the Sewer Superintendent.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Performs manual labor for sewer line repairs, manhole maintenance, sewer taps, and installation of sewer pipe with appurtenances.
- Operates tractor with mowing, bush hog, and other similar type equipment.
- Receives written work orders or verbal instructions from Equipment Operator.
- Replaces worn or damaged parts, such as hoses, wiring, and belts, in machines and equipment, such as truck, backhoe/loader, dump truck, trencher and other equipment.
- Hand washes vehicles.
- Assembles tools, equipment, and materials; performs specific work tasks on the city's sewer system as instructed.
- Provides on-call duty coverage during non-working hours as per duty roster.
- Operates light and medium-sized construction and power equipment.
- Performs required labor involved in construction and maintenance projects as part of a crew, including ditch digging, manhole and line cleaning, main and pipe repair, and backfilling.
- Is required to fill in other positions in the department.

TOOLS AND EQUIPMENT USED:

- Motorized vehicles and equipment, including dump truck, pickup truck, utility truck, jetter/inductor truck, manlift, saws, pumps, compressors, sanders, generators, common hand and power tools, shovels, wrenches, detection devices, mobile radio and ditch witch.

DESIRED MINIMUM QUALIFICATIONS:

Education and Experience:

- High School Diploma or GED
- General knowledge on sewer collection systems
- Ability to read and understand a utility map
- Required to have a valid SC driver's license

Necessary Knowledge, Skills and Abilities:

- Some knowledge of equipment, facilities, materials, methods and procedures used in utility maintenance, construction and repair activities.
- Skill in operation of some of the listed tools and equipment.
- Ability to perform heavy manual tasks for extended periods of time.
- Ability to work safely.
- Ability to communicate effectively verbally and in writing.
- Ability to establish and maintain effective working relationships with employees, other departments and the public.
- Ability to understand and carry out written and oral instructions.

SPECIAL REQUIREMENTS:

- Class A CDL license or the ability to obtain within one (1) year of employment
- Trainee Sewer Collection license or the ability to obtain within one (1) year of employment

ESSENTIAL SAFETY FUNCTIONS

It is the responsibility of each employee to comply with established policies, procedures and safe work practices. Each employee must follow safety training and instructions provided by their supervisor. Each employee must also properly wear and maintain all personal protective equipment required for their job. Finally, each employee must immediately report any unsafe work practices or unsafe conditions as well as any on-the-job injuries or illnesses.

PHYSICAL DEMANDS AND WORK ENVIRONMENT

The physical demands and work environment described are representative of activities required and work environment encountered while performing the essential functions of this job. Reasonable accommodations may be made to allow individuals with disabilities to perform the essential functions.

- The employee regularly works in outside weather conditions.
- The employee is regularly required to use hands to finger, handle, feel or operate objects, tools, or controls and reach with hands and arms.
- The employee frequently is required to stand and talk or hear.
- The employee is occasionally required to walk; sit; climb or balance; stoop, kneel, crouch, or crawl; and smell.
- The employee must constantly lift and/or move up to 20 pounds of force, frequently lift and/or move up to 50 pounds and occasionally lift and/or move up to 100 pounds.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

- The employee frequently works near moving mechanical parts and in confined spaces and is frequently exposed to wet and/or humid conditions and loud noises and vibration.
- The employee occasionally works in high, precarious places and is occasionally exposed to fumes or airborne particles, toxic or caustic chemicals, and risk of electrical shock.
- The employee is exposed to risks associated with traffic and moving vehicles, snakes, dogs, and poison ivy/oak.
- The noise level in the work environment is usually loud.

The duties listed above are intended only as illustrations of various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

This job description does not constitute an employment agreement between the employer and the employee and is subject to change by the employer as the needs of the employer and requirements of the job change.
